Dear Accepted Dental Hygiene Student,

Congratulations on your acceptance into the Vermont Technical College Department of Dental Hygiene! We know that you probably have many questions regarding the program and we would like to answer them for you. I have developed a narrated PowerPoint that will provide you with a great deal of information. You can locate it at the following website: <https://youtu.be/vkcmVWCB1x4>. In addition, we will be holding a required orientation session for newly accepted students on Thursday June 29th from 8:30 am – 12:00 pm at the Blair Park Campus, Dental Hygiene Building Room 304 followed by the Williston Campus orientation. You will need to attend this orientation session to be measured for your magnification lenses, be measured for your uniforms and register for your classes. Feel free to bring a family member or friend to join you if you'd like. Please call the Department at (802) 879-5643 as soon as possible to let us know that you plan to attend and if you require directions. If you live outside of Vermont and are unable to attend this session, call the department to make other arrangements. Again, congratulations and we look forward to providing you with an outstanding educational experience.

Sincerely,

Ellen B. Grimes, RDH, MA, MPA, Ed.D
Program Director
